

THE WINDMILL STUDIO Centre

Birthday Party Information Pack!

Thank you for requesting a Birthday Party Information Pack here at The Windmill Studio. We are based in Ruislip Manor directly opposite Kwik Fit with ample parking in the public car park just to the rear of the building. Even though our party venue is a 'Listed' Building having to keep its history look from the outside, inside it is clean and modernised throughout with air conditioning, mirrors and sprung floor. We also have EFX lighting which gives great ambience to all parties.

It is advisable to read our Terms & Conditions before booking a party. All our prices include VAT so there are no hidden extras unless you require adult refreshments or '**Jimmy the JAMtots Bear**', both being optional. Party Bags and the birthday cake are not included in the price.

You can have a minimum of 10 or a maximum of 40 children but the price does increase £2.00 per head for every child once you have 21 children or over due to extra staffing required and even though our parties are structured, they are also informal.

Included in the party price is the venue, two Party Leaders or more, depending on the number of children attending, freshly prepared party food served cold, invitations, decorations and music to suit the party theme chosen, party lights, party games, dancing, team fun, props and party prizes for all ages from 3-10 years. Our party leaders will accommodate to the ages of all children attending and will keep the birthday child and party guests entertained throughout.

Our baby and toddler parties 1-3 years, include toys, soft play, ball pool and musical movement with props plus an option of games if older children are attending. Glitzy Glamour Makeover Parties include gentle make-up, nail art, costumes, clothing, accessories and catwalk modelling. Slumber Parties include a chocolate fountain, midnight feast, nails, make-up, dancing and mad games. Pop Star parties include games, dancing, singing, make up and nails for the girls, fake tattoos for the boys and a Pop Star photo frame signed by all the friends attending. Crafty Parties include a great selection of creative crafts so children can use their artistic skills in a fun party way, finishing off with pass the parcel. As you will see from our 'Parties Available' list, we have many parties to choose from with something for everyone!

All you provide is the cake, candles and serviettes you would like the cake wrapped in plus the party bags. We recommend 'Yummy Mummy Boutique' for your party bags which are available at affordable prices. Contact details are within this pack.

One parent must stay with their child if 3 years or under. For older children, parents are very welcome to stay if preferred but can also leave their child with our leaders and party parents. If staying, however, must appreciate our parties are for children, first and foremost. We do have an Adult Menu available which can only be served and consumed in our reception area. We do not permit any adult refreshments in to our party studio at any time apart from our baby and toddler parties if the children attending are babies – 3 years, but refreshments must be consumed within our eating area allocated.

During any Glitzy Glamour Makeover, Slumber, Pop Star or Crafty Party our Adult Menu is available and again served in the reception area, but we only permit 2 adults to be in the party studio at one time due to the nature of these parties. However, we invite all parents to come and watch the Glitzy Glamour catwalk modelling display 15 minutes before the end of the party when an audience is required to clap and cheer!

The Windmill Studio Centre has a very busy party schedule so if we are of interest and you have a date and time slot in mind then please do not hesitate to contact one of our friendly team on 01895 624755 or email thewindmillstudio@gmail.com so we can check availability.

We are happy to pencil in your booking and hold it for 7 days under no obligation. This gives you the opportunity to pop down to see the venue at a convenient time, if unfamiliar. If you are happy with everything and wish to confirm your booking, we would require you to complete our Birthday Party Booking Form and pay a £25.00 non refundable deposit.

Invitations are issued once we have received confirmation of your booking. Our invitations are suitable for all of our parties with a choice of two, one with 'Fancy Dress' and one without.

Balance of payment confirming names, numbers, adult refreshments etc., is required no later than 7 days prior to the party. You can pay by cash, card or cheque payable to 'The Windmill Studio.' All cheques must have your full details on the reverse.

I do hope we are of interest and look forward to hearing from you if we can help further. *Please see our Terms & Conditions.*

Adult Food / Drinks Menu For Children's Parties

Even though our Birthday Parties are all about children first and foremost, we are parent friendly here and we are happy to provide a choice of light refreshments for parents, family or friends who may be staying during the party.

If this is of interest to you please confirm how many adults will be attending and choice of menu when you pay the balance for your party which is required no later than 7 days prior to the party.

However, all adult refreshments will be served in the reception area and under no circumstances will we permit any hot drinks or food to be taken in to the studio due to Health & Safety whether it is from our menu unless a Baby or Toddler party where the children are very young, but even then adult refreshments must be consumed in the designated area. We also do not permit any snacks or drinks in to the party studio from our vending machine. Please respect this at all times and also appreciate that the attendance of too many adults in the studio can distract our Party Leaders from doing their job.

Please note: You are not permitted to bring any food or drinks of your own in to The Windmill Studio Centre due to Health, Safety and Hygiene. If there is something you would like us to provide that is not on the menu, please do not hesitate to ask as we will always try to accommodate everyone where possible. Please be aware that if you exceed 20 children the price does increase per head for all children attending including those you have already paid for. Any late additions must be paid for over the phone. If those additional children do not come to the party or those already paid for do not attend, we do not refund. This also applies for additional adults.
- Apart from the birthday child's parents and close family, we request that if parents do wish to stay with their child for any party, whatever age then they are very welcome, but please appreciate that our Party Leaders have a job to do and therefore if necessary will ask you to refrain from chatting if you are too noisy or, if the case may be, will ask you to leave the party room and wait in the reception area. Our Party Leaders have the authority to do this, so please respect their requests as this is first and foremost a children's party.
- All adults must refrain from talking on their mobile phone in the party studio and during the party. By all means, if you have to, talk in our entrance hall or reception area.
- If you have a younger child who is refusing to join in the party games then please feel free to join in with your child rather than have a chat at the side of the room with another parent or have your child just sit on your lap. This will help not only your child enjoy themselves but will also help the Party Leaders.
- Siblings are welcome but must be included in the Children's Attending List if they join in any games and/or wish to eat the party buffet. Our Party Leaders are within their rights to charge for an extra child if this is the case and you will be obliged to pay.
- Adult food and soft drinks can be provided if required at an extra cost so please see our Adult Menu for further details.
- Would you please ensure that all children wear suitable shoes that will not mark the studio floor and are suitable for playing party games. Anyone with muddy or inappropriate shoes will be asked to remove them.
- When the Ball Pool or Soft Play are in use during a baby or toddler party, parents will be asked to remove their child's shoes and socks once entering the party studio.
- **Special Conditions:** If the Birthday Child is unable to make their own party due to ill health or other unfortunate reasons with written proof, The Windmill Studio is within their rights to use their own discretion concerning cancellation or postponement for each or any particular case.
- **PLEASE NOTE:** Our doors open 10 minutes before and close 15 minutes after each party, please encourage your guests to arrive on time! It is important our building is safe and secure throughout all parties so we do not encourage people to keep walking in and out while parties are running. Therefore this must be stressed to parents, friends or relatives who maybe attending, which hopefully they will respect. However, our reception area is always manned.
- Parking facilities are available in the public car park just to the rear of the building. It is down to the 'Customer' to check parking charges and to inform their guests. The Windmill Studio Centre will not be held responsible for any parking fees. You are not permitted to park down the side of the studio as this is private parking and you will be clamped! Please tell your guests.
