Dear Judy

I write to thank you for inviting Rosemary and I to a wonderful evening.

Would you please pass on my thanks to the boys and girls, of all ages, who took part. Their energy, vibrancy, enthusiasm and pure skill was a wonder to behold.

Thanks must also go the 'backroom' team, the costumes, the make-up, the lighting, the staging and the music added so much to the performance. They all gave so much of their valuable time to make the event so successful.

Thanks too to all the Mums and Dads who also made a contribution. I'm sure that many hours were spent driving to and from rehearsals and performances, waiting for practicing to stop and, no doubt, having to cope with very excited youngsters, as well as tears and tantrums!

Finally, thanks to you, once again you have produced, directed and choreographed a simply brilliant show.

I look forward to 2013!

Kind regards

Yours sincerely
